## **Preston Photographic Society – Covid-19 precautions for return to physical meets**

The aim is for PPS to return to physical meetings in Moor Park Sports and Social Club on 4<sup>th</sup> November 2021. In order to minimise the risk to our members and visitors, the following precautions will be in place until further notice.

1. Members who have either recently tested positive or who are currently suffering symptoms of Covid-19 are asked not to attend.
2. Whilst lateral flow testing is not mandated for attendance, it is strongly recommended.
3. Members are welcome to wear face coverings should they wish but this is not a requirement for attendance.
4. Hand sanitiser will be available at various locations in the room. Please use it.
5. Seating in the room will be set up to maximise the space available.
6. The room will be ventilated as far as is practical.
7. There will be no requirement for members to sign-in on entry.
8. We will not be serving tea, coffee and biscuits at the break. Members wishing to have a hot drink are welcome to bring their own. The bar in the club will be open at the start of the evening and during the break.
9. We will not be running the monthly raffle.
10. On competition nights, to maximise the space available for attendees, we will not be exhibiting physical prints on the racks. We will find a way to display the podium images.
11. Extra space will be left at the front of the room for judges / speakers.
12. Any concerns, please raise with a member of the committee.

Thank you for your consideration and cooperation.
