

## PRESTON PHOTOGRAPHIC SOCIETY

### **Update on Print Competitions 2021.2022**

The committee thought that it was relevant to communicate with the membership the outline of the steps and decisions they have taken following the vote on the 2<sup>nd</sup> September regarding the move back to face to face meetings in Moor Park on the 4<sup>th</sup> November. All the COVID mitigations are detailed on the adjoining link.

On the first night we return to Moor Park it is a competition night and along with the COVID protocols we have implemented, it will have an initial effect on the annual print competitions. The decision was made that all the print competitions will resume from month 3 and submission will be in the usual way. These will be presented on the evening of the 9<sup>th</sup> December as usual, however, instead of them being displayed on the stands, only the podium entries will be presented on the stage for the members to view as per our COVID policy. This will allow additional space in the room for people to spread out and socially distance.

All being well we will be back to full print operations from January, but we are constantly monitoring the situation and will act accordingly where we need to.

This action will result in all the print competitions being assessed over 5 competitions, rather than 7 with all images to count towards the overall winner of each section.

The committee would like to thank you for your continued support and we look forward to seeing you all again in person on the 4<sup>th</sup> November.

Kind regards

Iain Jack
