

PAGB GB CUP (PDI) COMPETITION 2021

Summary

This is our annual national Club Championship for Pdi images and comprises of two separate events, Open and Nature. I have no records of any previous PPS entry in this event.

Competition

The Club order of merit in each event was determined by the total score for the 12 highest scoring Images. Both events this year resulted in a tie between two clubs, the winner then being determined by the scores for the 13th image.

For each event, there could be no more than 4 images from any Photographer and these could not have been used before in the same event. There was no limit on the number of entries overall for each Club.

Our images

This was the inaugural event for the newly formed Selection Committee which selected our entry from images submitted by the members. As such, it was a move away from the previous 'podium selection' process.

We submitted 20 images for the Open event from 17 different members and 16 images for the Nature event from 8 members.

Results

Detailed scores for each image are shown overleaf, the full league tables are available on our website. The highlights were:

- Open - we finished 49th out of 120 clubs with 137 points, the winners were Smethwick with 161 (after a tie break with Rolls Royce Derby)
- Nature - we finished 47th out of 104 with 130 points, the winners were Rolls Royce Derby with 162 (after a tie break with South Manchester)

Our top scoring Open event images were:

- 14 pts - Andy Phillips with Rapidly Approaching Hailstorm
- 13 pts - Gary Peltz with Cape D
- 12 pts - Dave Pratt with Corpach Boat Wreck
- 12 pts - Tim Gilbert with Dangerous Position
- 11 pts - Ann Edwards, Carol Main, Helen Hatch, Iain Jack, Mick Porter, and Paul Yates
