

Photography Opportunities In Preston

Over the summer of 2017, PPS members supported Preston City Council with photography for the events taking place in the city. In return, the club received a donation towards club funds.

The aim is to try and do this again this year albeit in a slightly more coordinated manner. We are looking for volunteers who are interested and prepared to commit to at least a couple of these events and share some images into a shared drive soon after the event (this does not limit you to only those events). Taking part gives good unrestricted access and allows for great unobstructed photography inside of any crowd barriers.

The events are as follows. Anyone interested in taking part, please contact Mick Porter (contactppstreasurer@gmail.com). Some names already received.

- 30th March – Procession of Witness – City Centre
- 2nd April - Egg Rolling, Avenham Park
- 28th April – Workers Memorial Day – Flag Market
- 29th April – St Georges Day Parade – Flag Market
- 1st June - Harris Live Outdoors, Flag Market
